Students at ERS Library contracting sites have unlimited access to our Premium Digital Resources via ERS Kids Portal (K-8) and ERS Teen Portal (9-12). These resources are California Standards aligned, and most are accessible via smartphone or tablet. To request promotional materials listing your school’s student login, email sarat@ers.tcoe.org. We currently offer PDF’s of bookmarks & fliers that can be handed out to students & parents. ERS Library Presentations

The ERS Library staff is available to visit your campus at any point during the school year to assist teachers in discovering the benefits of ERS Portal multimedia, how to search and request items from the Library’s circulating collection, and how to integrate all forms of content into their daily curriculum. Library & Portal Presentations are typically about 60 minutes in length and can be done Monday – Friday between the hours of 9am – 4pm. Other presentation offerings include: eBooks, Information Literacy and Student Portals. Contact Sara Torabi (sarat@ers.tcoe.org) if interested in arranging a presentation for your site.

Library Multimedia Network Meetings

The LMN meetings are a bi-monthly gathering of our contracting schools’ library personnel with an emphasis on collaboration, communication, and creativity. These meetings are dedicated to school library development, exploring technology, and discovering how to best use the ERS Portal resources.

To check on your site’s assigned delivery day, visit: <http://www.erslibrary.tcoe.org/services/delivery>
